## Agency Requirements for Overseas Boarders

Rockwell College requires that all parents of Overseas Boarders (male and female) are represented in Ireland by an Agent or Agency who takes supervisory responsibility for the pupil while enrolled at Rockwell College. This requirement is in place for all pupils, regardless of age.

If parents do not wish to use the services of an external Agent, they may request that Rockwell College acts in the role as Agent for their son/daughter. In such cases, parents are required to accept the following provisions:

1. Rockwell College expects the highest standard of behaviour from its pupils and reserves the right to withdraw from the role of Agent in cases where pupils do not behave as required.
2. Rockwell College cannot accept responsibility for pupils when not directly under the care of College staff.
3. In acting as Agent, Rockwell College is empowered to act in the best interests of pupils and in accordance with the best available advice in the event of medical treatment being required.
4. A charge of €1,350 per child, per year applies for this service. This is payable in full by 1<sup>st</sup> August.

Rockwell College identifies the following as the responsibility of the Agent:

- Arranging uniform, books and educational materials on arrival
- Vetting and arranging Host Families for holidays and Boarders' Weekends
- Making arrangements in respect of visas and other documentation once the pupil has arrived in Ireland.
- Taking responsibility for the pupil 'in loco parentis' should disciplinary matters arise
- Acting for parents should consent be needed for medical purposes
- Organising transport to/from Rockwell College as required

We request that Rockwell College acts as Agent for our child/children and we accept the provisions set out above.
